

Family-to-Family

[En Español](#)

School is out soon and summer will be here. The summer months provide for some of the most memorable moments for families. It can also cause some stressful situations for families with children with special health care needs. Here are some articles that provide tips and suggestions from other families:

[19 Summer Tips from Special Needs Parents](#)

The challenges of providing a structured and fun summer are weighing heavily on the mind of parents. To make you a little less worried, Scope collected 19 tips from parents of children with special needs on how to get through the summer break.

[10 Activities For Practicing Life Skills This Summer](#)

The summer is a perfect time to model and teach life skills. Here are 10 summertime activities that introduce concepts in social skills, communication, organization, self-care and respect for self and others.

[10 Things I Won't & Will Do This Summer With My Child Who Has Special Needs](#)

Isn't it ironic that June, July and August is called summer vacation? For most parents it is not a walk in the park. In this post Karen Wang tells us what her family's summer plan will be.
