

Scott,

What better way to get into the spirit of the fall season than to join Easterseals Virtual Camp for spooky crafts?

From October 25th through 29th, campers can dive into all things hauntingly creative, just in time for Halloween, so be sure to register soon. Early registrants will have a chance to receive a free box of craft supplies delivered to their home before camp starts! This offer lasts until October 13th [so be sure to sign up today!](#)

What exactly *is* virtual camp?

During the pandemic, Easterseals recreational camps across the country needed to adapt to ensure everyone's health and safety. While we missed the smiling faces of our campers, we also saw this time as an opportunity to share the benefits of camp with more families nationwide.

Now that the country is slowly recovering from the pandemic, there are still many campers that may not be able to go to an in-person camp and some Easterseals camps are still unavailable for in-person activities. We are committed to ensuring that Easterseals camp is accessible to everyone.

Campers get to learn about themselves and their environment in engaging ways. They can make new friends, stretch their creativity, and understand the importance of both teamwork and leadership.

[So Scott, we invite you and your family to check out our FREE virtual camp!](#)
