## Baseball Clinic

To Whom it May Concern:

My name is Kira and I am the founder of the Special Stars Baseball Clinic in Fort Wayne, Indiana. I have several years of experience working with children and adults with special needs, and it was this experience that prompted me into starting the one-day baseball skills clinic in the summer of 2019. The Special Stars Baseball Clinic was designed to allow children ages 5-15 with all abilities to participate in a team sport with the support of volunteers. I have always had a love of baseball and a passion for working with those with special needs, and this was a way to put it all together. With sponsorships and funding from local companies, and about 25 volunteers, we were able to host a successful clinic with about 15 participants in 2019. In 2021, we signed a contract to partner with World Baseball Academy and utilize their newly installed all turf, fully adaptive field. Our number grew to over 25 participants and more than 40 volunteers for our 2021 clinic.

Plans are in motion for our 2022 event as spring and summer are quickly approaching. With that being said, we are still in need of local sponsors to help us cover the cost of some expenses. We want to make this a completely free event for families. With a monetary donation or purchase and donation of some needed items, your company can help us to make this event a success. You are also welcome to purchase fidget toys or marketing items with your company logo and information to donate for our fidget bags or parent resource bags (we plan for 35 of each bag). As a sponsor, your company will be advertised on our Facebook page leading up to the event, as well as on posters at the event, plus your logo on our t-shirts designed for this year.

If your company is willing to help us provide this incredible experience for kids in our community, or would like more information, please send me an email. I would be happy to answer any questions you may have. Also, feel free to check out our Facebook page and take a look at all of the pictures from our two clinics so far.

Thank you so much!

Sincerely,  
Kira Witte, Founder
