

AUTISM RESEARCH INSTITUTE
Autism is Treatable

Just Announced: Free Upcoming Webinar

**Home all Day: Basic Supports and Strategies to Get Us
Through and Keep Us Sane**

Schedule changes and unexpected school closings present special challenges for individuals on the autism spectrum. Tune in to hear ideas for easing anxiety, scheduling daily activities, and staying busy during challenging times.

Angela Mouzakis PhD, BCBA-D, LBA
Professor, St. John's University

Wednesday, March 18th
1 p.m. Eastern (U.S.)
