

AUTISM RESEARCH INSTITUTE
Autism is Treatable

We recorded today's webinar - playback is online now at:

<https://www.autism.org/back-to-school-covid19/>. Free certificates of participation are available upon successful completion of a brief knowledge quiz after viewing the talk - the quiz is included on the playback page.

Free certificates of participation were emailed automatically to users who watched the presentation (including slides/visuals) online but these certificates are not automatically generated for users who dial in only by phone. If you need a certificate and dialed in by phone please take the brief knowledge quiz on the playback page at:

<https://www.autism.org/back-to-school-covid19/>

Please check out and share these free resources from ARI:

<https://www.autism.org/covid-19-resources/>

Social Stories:

- I Can Wear a Mask: Social Story
- Social Distancing
- When Can I Go Back To School?
- Why I Shouldn't Touch My Face
- Feeling Sick: Coronavirus Symptoms

Videos for medical procedures:

- Easing Medical Anxiety Through Play and Priming
- Easing Anxiety During Medical Procedures: Positioning for Comfort
- Blood Draw – What to Expect

To view past recordings and register for more upcoming talks, see: <https://www.autism.org/webinars-autism/>

Webinars are made possible through generous donor support. If you can help, please visit:
